Baron Luxury and Lifestyles Pvt. Ltd

Baron Luxury and Lifestyles (Baron) was incorporated in April 2011 with its Headquarters in Mumbai. The company's business division "Baron Aviation" has one of the largest fleet of Aircraft to offer with plans to fly 5000 Hours for the year 2013-14.

Baron aims to corporatize General Aviation market in India by consolidating the aircraft inventory, aggregating customers and professionalizing the approach towards quality of services to match with the global standards.

It has created a unique Business Partner Program giving individuals and businesses all the benefits of owning large fleet of aircraft / helicopters at a fraction of the cost of ownership. Baron fleet comprises of single and twin engine helicopters, cost effective and efficient turboprops as well as mid-size and large executive jets.
