"By launching India's first Global Jet Card, we aim to redefine ownership of a private aircraft. With the dollar value touching all-time high it may not be the appropriate time to buy an aircraft. However, Baron Eagle Membership provides an ideal choice for customers to avail all the benefits of owning an aircraft at a fraction of ownership cost," said Mr. **Rajeev Wadhwa**, Chairman & CEO, Baron Luxury and Lifestyles Pvt. Ltd.

Baron Eagle provides all the benefits of a jet card but has added unique functionality whereby it provides the most flexible program across various aircraft types including rotary and fixed wing aircraft. The program enables its members assured availability even when they travel abroad and will take care of their private flying needs internationally. Further, the card has been designed with flexibility of transferability, is refundable and can be used as corporate/individual gift for business and personal needs.

Baron Eagle membership is available in three categories, namely Baron Platinum Membership, Baron Gold Membership and Baron Silver Membership.

"The philosophy of personalization, prioritization and customization is based on providing to the customers a world class experience unique to the individual members' tastes. We have invested heavily in designing world class processes and are investing heavily in training to ensure strict execution of these deliverables which will set a new standard in the industry," added Mr. Rajeev Wadhwa.
